Dear Customers:

We are pleased to announce that **Star Ice & Fuel** has merged its business with **Arctic Glacier U.S.A., Inc.** Star Ice & Fuel has been the most reliable ice company in the Seattle area for over 130 years. Arctic Glacier is a leading manufacturer and distributor of packaged ice in North America with operations across the Northeastern, Central, and Western United States as well as Canada.

Although the owners of Star Ice and Fuel have decided to retire and exit the ice industry, Arctic Glacier is pleased that Christy Flygare and the employees of Star Ice & Fuel Ice are now Arctic Glacier employees. Arctic Glacier will continue to distribute quality ice from the Star Ice & Fuel location in Tacoma, WA.

Please be assured that there will be no change to the current operations as far as customers are concerned. It is "business as usual" and your points of contact for ice purchases and deliveries will remain unchanged.

Christy and her team are excited to become a part of an organization that has demonstrated such a strong commitment to providing both a superior product and the best level of service to its customers and vendor partners.

Our phone contact will remain the same at (253) 922-2777 or toll free at (800) 310-4423. Please feel free to contact us with any questions or concerns.

Thank you for your continued support and patronage.

Sincerely,

Fred Smagorinsky
